

Creating a Google Account

The following instructions are for creating a Google account so you can use Google's free tools. This is NOT a g-mail account (Google free e-mail accounts). You can use any e-mail account to create your Google account, because this is only used to log in. Which ever email you use - home or school, you will need to have access to it to click on the confirmation message Google sends BEFORE you can begin using Google tools. **PLEASE REMEMBER TO OPEN THE VERIFICATION EMAIL FROM GOOGLE AND CLICK ON THE LINK TO ACTIVATE YOUR GOOGLE ACCOUNT OR YOU WILL NOT BE ABLE TO USE THE GOOGLE TOOLS.**
